Subject: RE: SCE&G DSM Case - Docket No. 2013-208-E - Hearing Scheduled for Thursday, October 24, 2013

Hi David !

I have been authorized to email you and ask for an extension of the surrebuttal deadline until Monday. All Parties are on board with this request. The Parties met Tuesday to talk issues and possible settlement. The Parties believe that there is a reasonable possibility of settlement/resolution of issues.

No document has been drafted yet but there are discussions going on. We will not meet the 7 day deadline for filing of settlement agreements/stipulations.

Thank you for your consideration of this request from the Parties.

Best regards,

Nanette
